# **SECTION 6. ACCIDENTAL RELEASE MEASURES**

## **6.1 Personal precautions, protective equipment and emergency procedures**

### **6.1.1. For non-emergency personnel** Evacuate surrounding areas.

Remove all ignition sources. Ensure adequate ventilation.

Wear appropriate personal protective equipment. See personal protective equipment in section 8.

### **6.1.2 For emergency responders:** See the information “for non-emergency personnel See personal protective equipment in section 8. Large spills/enclosed spaces: a self-contained breathing apparatus is recommended. Monitor area with combustible gas meter if necessary.

### **6.2 Environmental: Precautions**

Avoid dispersal of spill material and contact with soil, waterways, drains, and sewers. Inform the relevant Authorities if the product has caused environmental pollution (sewers, waterways, soil and air)

## **6.3 Method and materials for containment and clean up**

### **Small spill:** area.

Stop leak if without risk. Move containers from spill
